“ So sorry I am unable to attend the service. Grannie Gordon had a major impact on my life and her unending faith and trust in God gave me strength to carry on when life dealt so undeserved blows. She will be missed terribly by her family and friends but she is at home with her Master! I will be in touch and we can privately reminisce, Taryn! Love you and your family! Praying for strength to get through the day and the days ahead.
