“ *And Now We Say Goodbye*

*Great sadness fills our hearts today
as pipes and drums, in slow march play.
A comrade's fallen by the way,
And now we say goodbye.*

*This hero to the very end
Was more than just a casual friend,
Who would a stranger's life defend,
And now we say goodbye*

*But we shall cherish, all our days,
The character this life portrayed
With sacrifice so freely made,
And now we say goodbye.*

*The hand salute, o'er Stars and Stripes,
And distant skirl of highland pipes,
Give last farewell with hero's rights,
And now we say goodbye.*

*While here on Earth, you gave your best.
Now in the Master's arms you rest.
T'is by your memory we are blessed.
And now we say goodbye.*
