“ God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. We will miss you so much and know that we appreciate everything you have sacrificed and done for US.##imported-begin##Sergei Skiba##imported-end##

“ Any loss for ONE is a loss for all. Please accept my condolences. My dear wife went to sleep many years ago. When she was being buried an Angel appeared in the sky, over a Christian Orthodox Cemetary is South Cannan Pennslyvania. The Angel had a smile on its face, its wings were spread wide open, both hands were reaching out for her soul. My dear friends, the appearance of this angel is proof that our souls are eternal. The Priests & Monks fell to their knees and started to pray, they stated this was the first time in their religious lives they ever saw an Angel. Our spiritual enlightenment is never ending. The spark of life we all posess, turns into a flame when our souls join God. With my LOVE, Fred All of our departed friends & family are always become our Angels. God Bless everybody that has experienced real love. Fred###imported-begin###Frederisk (Alexander) Schomberg###imported-end##
