“ *Dot & Paul, thank you for the care and love you have shown to Daddy through this very difficult time. Dot to you, Daddy told me so often how he was so appreciative of your care and love, as you call him your ROCK - You most definitely have been his rock through his time of need. Paul to you it is hard to put into words how I feel about the care you have given to my Dad. Please know he cared very deeply for you and told me often that he and your Mom would not be able to stay in MB if you weren't there to help them through the last 18 months or so. I will always be appreciative of you and truly enjoy the friendship we have developed. Your S.S.
