“ I am so sorry to hear about the passing of Alice. She was a wonderful person with a great sense of humor. I worked with Alice at Avon and can remember the clip/clop sound of her shoes as she walked down the hallways. She will be missed. Her family will be in my thoughts and prayers. “ I too worked with Alice at Avon - I was the switchboard relief operator at a mere 16 years of age ... she was like a second Mom to me ... always full of good humor and love for us Avon "kids".... I did visit her and Vic in Conway in the summer of '04 as my daughter is at CCU. She was so happy to see one of her kids! I will miss her and only hope that she is happy and in a much better place. “ I was reading the paper and saw that Alice had passed away and right away I thought of all the fun we had with her at Avon. I also was one of her kids as she kept the hours for reserves and was always so nice to us about our hours and such. I worked in Human Resources with Alice also and enjoyed her sense of humor and her warmness. I used to crack up when she would act like Ernestine the operator portrayed by Lily Tomlin. She did it so well and we had alot of good laughs. Today I opened the paper and see that Vic passed away also on the same day. Sad that both of them are gone but nice that they went at the same time and no one was left behind. To her daughters that were left behind I wish all the best memories and your "Mom" was special to alot of people at Avon. Take care and you are in my thoughts and prayers. “ I was shocked and saddened to read of Alice's passing. I spoke to her several months ago when she moved into her apartment - she seemed to be doing very well. I was also unaware that Vic had passed away, as well. Alice and I were very close when she worked at Avon - I considered her a surrogate Mom, and she used to tease that she thought the hospital had made a mistake and given me to the wrong family, and that I was really her daughter. I have many great memories of Alice, and hope that the family does as well - I hope that these memories will bring them comfort during this sad time... you will all be in my thoughts and prayers. “ Please extend our deepest sympathy to Beth and Barbara. I worked with Alice for many years at Avon and remember fondly how she would answer the phone when my daughter, Sherry, would call to tell me she was home from school. Alice was a "Mom" to many kids back then. Harry and I spent several evenings with them years ago having dinner etc. Had lost touch with Alice and Vic and are very saddened to hear of their passing. Our thoughts and Prayers are with all of the family. With much love, Judy and Harry Kline##imported-begin##Judy and Harry Kline##imported-end##
