“ We were some of Alice's "Timeshare Friends" from Deercreek. She was always the ultimate Professional person who made friends so easy. When you made friends with her, you had a friend for the ages. Although we have not seen her in quite sometime, we always appreciate the fact that Alice came our way. She was a special type Lady. May the family always be aware of what a fine person you were blessed to have as a relative! Cherish the memories. May God bless!! We were always with Jan & Jim Mauney when we were with Alice##imported-begin##Bette & Dan Blair##imported-end##

“ We met Alice in the late 1970's through our association with our time share at Deer Creek in Surfside Beach. She was more than a property manager. She was our friend and was always there to remedy any small problems with her warm smile and assurance that our happiness was important to her. We had some wonderful times at Deer Creek and made many new friends. Alice was one of these cherished friends. We share a small part of your loss. She was a wonderful lady! Your loss is heaven's gain! Respectfully yours, Jim Mauney###imported-begin##Jim & Jan Mauney###imported-end##

“ I am flooded with childhood memories of slumber parties at The Durhams?, trips to the movies with Alice?s handbag full of snacks, the truck that could run without a key, Kermit the Frog songs, backyard barbecues and Easter Egg hunts, swimming at Deer Creek pool, the toy bag in the closet, trips to school in Joe?s green car?We will miss her dearly?especially her infectious, hearty laugh. Her love and dedication to her family, friends and God is an inspiration to us all. You are in our thoughts and prayers, and we look forward to seeing you in Charlotte. With love, Abby###imported-begin##The Spadas###imported-end##

“ Joe and Family, Having just retired here to Surfside, I was saddened to read about Alice. I had hoped to pop over there after getting settled. She was there for my Mom Milly Izzett when my Dad Bob Izzett died, and for me when mom died. She and the Trinity woman were of great help when my son, Jeff Robert Swanson died in Nov. 2002he was the grandson of Milly that had had a heart transplant I will always remember her compassion. I am in Ashton Glen, having moved from Cleveland-recently widowed just wish now that I hadn't sold Mom's house. Did stop and see Vera Craddock 2 weeks ago. I hope you will call me if you need anything or if I can be of any help. May God bless you in this hour of sorrow. Alice was a wonderful person!! Sincerely, Barb Izzett Swanson###imported-begin###Barb Izzett Swanson###imported-end##
