“ Such a special loving lady with a wonderful sense of humor. I have many memories of family picnics in Connecticut, a Hawaiian luau in your backyard, roller skating at Jones Beach and a wonderful visit to your home in Sarasota. Always in our hearts Aunt Alice

“ **THE YOUNG AT HEART GROUP**

Alice was invited to join our group in late 2014 by her neighbor Celeste Lawless. We immediately loved Alice with her smiling face and quick wit and took her into our group and hearts immediately. She was always so coordinated in her dress, makeup and accessories and ALWAYS with her big smile matched only by her big loving heart. These last few years have been a challenge for her but she always seemed to have faith to deal with what was handed to her. We will miss her but pray she knows how much each and everyone of us cared and loved her. We all will miss you always but rest in peace sweet Alice, your loved ones and friends await you in heaven. Till we meet again,
