“ Jim, Mary, Katie & Bennett, My heartfelt sympathies are with you all during this time of loss. I know that Alice had become a big part of your family and unfortunately there always comes a time when we must continue on without the ones who helped to give us the most memories. However, we take solice in knowing that they are with those loved ones that have gone on before, rejoicing and walking those beautiful streets of gold. I pray that God will reach down and touch your hearts to begin the healing process. We love you all. Mike, Karen, Joshua, Nikki & Mailey###imported-begin###Karen F Hough###imported-end##
