“ Trish, Mary, Henry and Rest of Family Mmembers.....The last time I saw Ms Alice was in the Emergency Room at Loris Hospital. She came across the hall to see my sister Lora Kaye who was there and you would not have thought anything was wrong with either of them at the time. They were so happy to see each and just being funny as they both could be. They never let a thing such as pain or illness keep them down. Ms Alice was such a delightful lady always with a smile on her face. I know that you all will miss her, but I know she is rejoicing now with family members and friends who have gone before. I imagine she and Lora Kaye are having a blast catching up on all their adventures. God bless you all and may the memories of happier times and the fact of knowing your Mother is in the loving arms of God keep and sustain you all.

“ *Dear Family, We know you are missing a lot because the entire community is missing a lot. Alice was a joy and inspiration...so full of life and love...love radiated out of her as she squeezed every ounce of LIFE out of every second. What a unique, independant lady. Alice was a legend in her own time. What joy and great memories she leaves with me.*
