“Debbie, Jackie, Charles, Ed, Lucy and Mary, So sorry to hear of "Aunt Thelma's" passing. We were out of town, but I wanted you to know that my thoughts and prayers were with you. When I think of my childhood, some of my fondest memories spent with your family. Trips to the beach, overnight stays at your house, and all were filled with fun and learning. Aunt Thelma, ever the teacher, always had us doing something interesting that would cultivate our little minds. I know you all will miss her. She lived a really good and impactful life. You will probably never fully realize all the lives she did impact. I will always treasure the memories. My love, Donna S.
