“ Our deepest condolences for the loss of a very special woman. We met Alice and her beautiful family in 1980 when she started babysitting Brian who was two at the time. We have many fond memories with the entire family. Alice is truly going to be missed. Our prayers go out to the family as they work through their grief. Remember all the great times and all the fun memories. We love you and send hugs and kisses❤️

Aunt Alice will be missed by all. She was the last of Granny's children. While I haven't seen her for a while I remember her being present throughout my childhood. She was a true gem. Granny and Granddaddy are celebrating! They are now reunited with all of their children. My love and prayers go out to Uncle Tom and the family. 🙏📖 I'll continue to pray for you as you navigate life without this wonderful woman at the center of it. ❤️ Love you all!

I'm so sorry, but I'm sure she's drinking coffee and sittin' round the kitchen with all her brothers and sisters. One of my favorite Aunties. Hugs and kisses to Uncle Tommy and the girls.
