“ *Dear Ms. Dean, I am truly sorry about your passing. The last time I saw you was before I quit the hospital, about a year ago. So much can happen in such a short period of time. I will always remember how you would hug my neck and tell me that you loved me as I loved you. Heaven is much richer in love now that you are there. To Ms. Dean's family, I am sorry about your mother but she is in a better place than we are. One day we will see her again. Truluck and I will keep you in our prayers.*
