“ To Vicki and Debra: I am so saddened to hear of your father's passing. He hired me as his secretary when he came to Hartsville to Coker's Pedigreed Seed many years ago. He was my very first boss. I will always remember his sense of humor and I remember seeing you girls when your Mom would bring you to visit your dad at work. Please accept my deepest sympathy. JoFrieda Kelley

“ Allan was not only the husband of our cousin, Barbara, he was our dear, dear friend. We have spent some of our best evenings entertained by his quick wit and funny stories. He was so devoted to Barbara and had room in his heart not only for his big family but for hers (including cousins). Alan's passing will leave an enormous hole in our lives and in our hearts. We are with you, Barbara, and family in spirit and soon by our presence.
