“ Bruce taught me alot not just how to run a 360CD during the years I was privileged to work with him. He was a gifted "graphic artist" and a man of many talents - which he often used for the benefit of others. I admired his positive outlook on life and the ease at which he made us all laugh. Bruce was a great guy! He will, indeed, be missed. Ours prayer are with you Lyon family. John 11:25.##imported-begin##Rick Dodson##imported-end##
