“ Carson Jordan was an incredible human being that was taken from this world too soon. You helped people without them even having to ask. You have been the best “best friend” my son (Chad) has ever had and I thank you for that. I will always love you and miss you, but I will also try my best to remember the good times. I will keep your family in my prayers.

“ I have known Carson all my life. He was such a sweet guy and had the biggest heart. Always smiling and willing to help out with anything. I enjoyed all the conversations and fun times in school that we shared. I haven't seen him in a while because life has a way of taking people in different directions but with no doubt at all he is in a better place looking down with that big smile of his saying don't worry about me because I am in a better place and I will see everyone again one day. My prayers go out to his family! He will be greatly missed but never forgotten.
