“ Al will be missed by all who knew him. His quiet sense of humor and generosity while visiting with his daughter Peggy in South Carolina will always be remembered. I will remember the trips to the California Pizza Kitchen with Peggy, Al, and Alice. What fun that we all had! I will remember the rides in his golf cart and his little Army shovel that we used to dig in the sand. May he rest in peace.##imported-begin##Nancy Bryant Laver##imported-end##

“ At Alice and Allen's 40th Anniversary Party when I was dating Joe, I danced with Allen and he said, "I sure do think a lot of you, Linda". Wow, those words thrilled me then, and warm my heart now. I have had 21 years of fantastic adventurous memories with the Mallory Family. Last Thanksgiving at the beach, Allen took a walk with Joe, Peg, Luke and me, and asked me how my students where doing at school. Although now I feel a bit numb and empty, I have great memories to keep me warm.##imported-begin##Linda Mallory##imported-end##
