“ Tommy and Mike, Your mother was one of my favorite aunts and I have many fond memories of her cheerful disposition and smiling face during my childhood years. You may not remember this, but she used to come to our house on her own time to give me shots for the fever blisters that plagued me throughout my childhood. She was there for our family, too, during my dad's illness, always checking on us and lifting our spirits. She was truly a good-hearted person. I hope happy memories of times spent together before your mother became ill will bring comfort to you as you deal with your loss. Love, Lynette##imported-begin##Lynette Leventis##imported-end##

“ Tommy and Mike, Sorry to hear of your mother's passing. I remember her as the neighborhood "nurse". If my mom ever needed any advice re: me, she would call Mrs. Allene. I also called her once for advice on my newborn. I know you all will miss her. She was a fine lady.##imported-begin##Barbara Bobbie McLaurinGraham##imported-end##
