“ Dear Gene and all the family:

*This is late but I just now saw it and I share my deepest condolences. Your Mom lived a long and a good life and I shall always treasure the fact that I knew her and knew all of you. The Hardee family was very helpful to me and I shall always carry great memories of Mr. B.D. and Ms. Allene as well as all of the children. Please treasure the good times you all shared and know that I cherish each of you and hope the future will bring bright moments that help alleviate the current pain of loss.*
