“ There are no words to describe how special this lady was. We Will miss her something awful at New El Bethel. The way she treated us and especially my son Dock was so special. She got him a Christmas present every year. We will never forget that. We love you Mrs Allene!

Tammy:

She always made sure she had Dock's Christmas surprise! She had certain ideas about what he liked and (after she gave up driving,) she and I would go on the hunt for Dock's surprise!

“ Oh, my sweet neighbor, Allene! We lived next door from 2001 through 2007. I would come home from work and Henry would be waiting on the porch. I wouldn't even put my bag in the house. The three of us sat on that porch almost every evening chatting away. After Henry passed away, Allene and I would spend hours chatting. I loved our visits and phone calls. I looked in my glovebox still have a gift I got for her just before Covid hit. I never got to give it to her. When she was in the hospital, we were in quarantine. I'll cherish our time as neighbors and the friendship we created that will give me a lifetime of sweet memories! Love you to pieces, Allene!!!! <3 Rest in Peace with Henry <3

Thinking of you whenever I see a red Cardinal.

“ *What a wonderful childhood we had living next door to Henry and Allene Thomas. They were definitely like a second pair of parents to us. Miss Allene always treated us so well and loved us —and we loved her. I have so many wonderful memories of her.*
