“ Ronnie & Sandra: Being up North in Longs, I fail to get the local news so often. Not until I received the Jamestown BC news letter did I know that Your mother had passed. My sincere condolences. While my mother-in-law was at Conway Manor, I would stop by and visit with Mrs. Alma. I was surprised when she carried on a conversation with me and seemed to know and remember me. Mother surely thought highly of your mom and as I know, your mom will be missed. I think that Catherine Shelley is the only resident remaining in Jamestown from my childhood days. Ronnie, I just wanted to let you know that I was thinking of you, and had I known, I would have been there for you during this time. God bless yo and your family. “ Grandma, I miss you so much! You were much more than a mother-in-law, you were my second mother! Words cannot describe the emptiness that I feel in my heart knowing that I will never touch you, never see that sweet smile, never again hear you say, "I love you, too!" You were always there for me when I needed someone to listen and I will never forget the precious memories that I have of you! You taught me so much! You taught me how to cook! For that I will always be grateful! I know that now, at last, you are free from all the bad things the stroke did to you! I wouldn't trade that for anything! Enjoy your loved ones in heaven, but always know that one day, I will see you and hear that laugh of yours! Until then, keep us in your prayers! I love you!
