“ Dearest Ann, WE send our deepest sympathy to you and will have you and "D" in our thoughts and prayers. I cannot express all the fond memories I have of "AD" as it seemed I always knew he was in support of me in times when I didn't think any of family was around. Two special occasions always come to mind. Once in 1966 when I was playing football against Marshall University in Huntington, West Va. After the game I walked out of the locker room and there was "AD". Numerous times I was attending computer conferences and again "AD" would appear with his caring support and guidance. As you know, that is "D", always there to lend a vote of confidence and guiding advice. He will always be a source of inspiration for me and a source of strength just as the Sheffield family has been for me throughout my life. “ My memories of Al will always be of a happy person. He helped anyone who needed help and was a gentleman to all. I can picture him now in the Keys with 'Happy Feet'. Ann, I know he was your soul mate but now you must share him with GOD. They will both look over you and help you get thru the sad times ahead. Please feel free to call anytime. With Love, Pat##imported-begin##Pat Wilson##imported-end##

“ I was greatly saddened to read of AD's passing. Although we lost contact many years ago, I do remember times in Midlothian with all our family. Now he can rest with Aunt Bessie, Effie, Paulyne, Sadie, Uncle Chris and Alton and place wagers with Nanny and Violet. I'm sorry not to be able to attend but my memories and your families are utmost in my mind and heart. Mary Magdalene##imported-begin##Mary M Savage##imported-end##
