“ Aunt Helen I'm praying that the Holy Spirit will comfort you in your time of mourning and that God would send people to you to help in any way they can. Although worldly circumstances have kept us apart I never stopped thinking of you & Pete and praying for you both. Many times Lester and/or Miles would come to me for prayer for Pete and now this is God's final answer. He has been gracious to take Pete home to be with him...no more suffering, no more pain and worries. One day all of us believers will meet up again in Heaven. What a glorious reunion that will be.
