“ Though we do not know the perfect words to say at this time to comfort you, we want you to know how sad we are to hear of Mrs. Thompson's Gaddy's passing on to her heavenly home. May you always feel her presence in your hearts. May your memories bring peace and strength to you. May God bless all of you during these days of great sadness. Alva was trully a great friend of ours. We enjoyed many moments together sharing news about our families. The presence of the Lord was always with her. Among her most cherished things in life was her love for God and her family. She was so proud of her children and grandchildren. Our prayers are with you as you learn to adjust to life without her. Our warmest thoughts are with you now! With sincere love for our friend, Eddie and Joyce Herian###imported-begin###Eddie and Joyce Herian###imported-end###
