“ I have known Al since I was 20yrs.old.
I was the only one to cut his hair.
Each time he would come in, he would bring me a Moutain Dew and
a snack.

Each Holiday he would bring g me a Beautiful card . He was so
sweet. He will be my forever Friend. I will miss him dearly.

“ *I live in front of Al. He would come down the driveway to go home and he would stop to just talk. I enjoyed helping him out any way I could. Wish I had more time to get to know him better. Great Guy. I will miss seeing him. VERY SAD*

“ I worked with Al for a span of time when I was at 707 Gun Shop & Indoor Shooting range. He was hands down the most kind human I have ever met in my life. He taught me a lot about the internals of the firearms I owned and always was happy to help anyone and everyone who needed it. His caliber of knowledge and how he carried himself is a rarity and I am glad to have known him. Any holiday, every birthday, and frequently just because, he always sent me a message to say hi and he missed me up there. Any time I popped in, I wasn't allowed to leave without a hug. He will be sorely missed by everyone who had the honor of knowing him. Rest easy, old friend. You'll never be forgotten 💜💜

“ I know Al ads the Gunsmith for 707 gun shop. Al was tough on the outside but deep down he was always someone's 😊. He was a master at revolvers. He loved his Mtn. DEW and Please don't get Diet!! He loved hot rods and he loved Thunderstruck ..
I've seen him so many times work on a gun for someone, and put them at ease just from the goodness of his heart. Al was my friend and he will be missed not only by me but all the people he ever came in contact with. We love you may you rest at peace with no more pain in the arms of your Momma holding Snowy ..
