“ My deepest sympathy to the family. I'm a close friend of Christy's & know how deeply she loved & cherished her Grandmother. Your minds know that she is in a better place now, being with all her loved ones that left her behind. And your heart will take time to acknowledge her lost, but this is your own personal grieving time. Prayers & thoughts are with all the family. Love, Nancy Morris

“ Am saddened to see this passing of aunt Cissy. She was married to my fathers brother, uncle Henry.( My father was William James Tompkins) and I have just a couple very early memories of her when I was growing up. She was a lovely lady and will be much missed. Prayers to all her family.

“ Aunt Sissy has always been my heroine. Long talks and funny stories helped guide me thru some tuff times in my younger days. She was never judgmental she was solid kind caring and generous. I need to apologize for the tricks me and my co conspirator Buster pulled on her like giving her a sack full of snakes and telling her it was fish. When she opened that bag she jumped high enough to qualify for the Olympics. [Doug] We loved Aunt Sissy so much and will miss that glow on that beautiful face of hers the smallest and simplest of things would make her so happy. See you later Aunt Sissy
