“ Words can not express how shocked, hurt and saddened I was to learn of the passing of my dear friend, Amber! I loved her. We knew each other for years, both working together years ago as Nurse's. She was a great support to me when I had surgery last year. Heaven has a special place for Nurses, acaring friends and Animal lovers like her. She saved abandoned baby possums. Miss and love you Amber

My deepest sympathy to the family. Amber was a special lady and a great nurse . I will always remember her cooking the best chicken pot pie I ever had.
