“ We are very sad to hear about Ameris.

But we know her memory is in the hands of our wonderful Heavenly Father and very soon we will see her again and she will be making her goofy jokes once again..... jokes Alex got because she was also a goof.....simpler age....simpler time....

And then, like you said Deb..... she will be free.....we all will be..... and we will celebrate along with so many others who will wake up!!

We love you guys, we loved Ameris. We will keep you in our prayers.

It will be good again.... and so much better.

“ *Ameris you will be dearly missed. Your family has my most deepest and sincere condolences. Work won't be the same without you. I remember not to long after I started at Melton having to call you from the conference room phone because I was trapped inside the building after everybody had left early on Friday and set the security alarm with me still inside. Thank you for calling Jamie and opening the shop gate for me so I could go home for the weekend. Your help was very much appreciated. May you rest easy and know that you are irreplaceable.*

“ Sometimes the most tender hearts need the most tender care .. see you in Paradise sweet girl and we can get to know each other because what I knew about you was your strong heart beat and your loving family - to the family please know my heart hurts for you - hugs 🤗

it away? Of course not. You change the batteries. When a person messes up or finds themselves in a dark place, do you cast them aside? Of course not! You help them change their batteries. Some need AA...attention and affection; some need AAA... attention, affection, and acceptance; some need C...compassion; some

“ Ameris, I will miss you and talking about our cats. I tried to get your grandmother to let you get another one but she was having none of it! It was probably for the best because I don't doubt for 1 minute that your Passure loved being your one and only. I wish we had had more time to get to know each other better. But we can't live our lives with regrets so I will be thankful for the time we did have together.
