

## Amie L Frost

May 21, 1971 - January 27, 2018

Dateline: Murrells Inlet...Amie L. Frost

Amie Frost, 46, went home to her heavenly Father on Saturday, January 27, 2018 at Waccamaw Community Hospital after a lifelong illness.

Born in Fort Rucker, AL, she was a daughter of Mack Frost of Canyon Lake, TX and Nancy McMahon of Murrells Inlet.

Amie graduated from Bishop Dwenger High School in Ft. Wayne, IN and was a graduate of Purdue University. She enjoyed the beach searching for seashells, had a witty personality, and loved animals especially her dogs, Barney & Gus. Amie's faith was very important to her and she always prayed and cared more for others than herself.

Surviving in addition to her parents are her brother, Scott Frost of San Francisco; her stepdad, Colonel James McMahon of Murrells Inlet; three step brothers, Mike, Jim and Bob and a step sister, Caroline and numerous aunts, uncles and cousins.

A mass of Christian Burial will take place at 10:00 AM Friday, February 2, 2018 at Precious Blood of Christ Catholic Church in Pawleys Island.

Internment will take place at a later date in St. Louis, MO alongside her grandmother and granddad.

The family will receive friends from 5:00-7:00 PM on Thursday, February 1st at Goldfinch Funeral Home, Litchfield/Pawleys Chapel.

“ *My childhood best friend...I can't believe I found you after all this time only to lose you again once more. It's been so many years now since I last saw you in AZ. I wish we were in 6th grade again and had our horses to ride for hours and hours talking about the dream ranch we would have one day. We had so much fun riding in rodeos and horse shows together. You were a beautiful Rodeo Princess! I miss you my friend and wished we had not lost touch. I hope wherever you are, there is a beautiful pasture full of horses for you to ride. You were a wonderful person to grow up with.*

“ *So sad to find this after thinking of her today and doing an online search. I learned so much from Amie at Purdue - she was a great friend, but sadly we lost touch. She was so inspiring to me and I send my sympathy to her family.*

“ *Sad to say I just came upon this today, Amie's birthday! We were friends and worked together at TMP years ago - we had fallen out of touch, she was a wonderful friend with a witty, whip-smart sense of humor. All my love to her family.*

“ Hey Sweetie,

*I think I have been putting this off hoping none of it was real and this wouldn't feel like the last time I talked to you. Everything I want to say I know you already knew but I regret not saying it more often or some of it not at all.*

*I remember the first night we met at the baseball game and later I even met your mom over the phone. Our first date a few nights later you were so beautiful. And as we both laughed as the red sauce spilled down over your white blouse, I knew you were my kind of girl.*

*We had some trials in our relationship but even when you moved I have felt we were connected. "Two peas" "Mack & Mire" whatever your preference, this was us. And I am so sorry I did not say more often how much you meant to me. Over the years you showed me so much love and in fact taught me what it really is.*

*I'll meet you in St. Louis.*

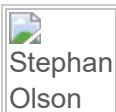

*I love you.*

“ We had known Amie for several years. Her wit, courage and grace under fire inspired us all and made our lives better. Thank you, Amie. If anyone here wants to honor Amie, making yourself knowledgeable of the Agent Orange related birth defects suffered by children of Vietnam vets, would please her greatly, I am sure,

Ronald Nesler - January 29, 2018 at 05:15 PM

Amie was a courageous fight for children of Agent Orange and a inspiration and hero for all of us and our children... Kathy Buchanan... Cameron Missouri
