“ Amy was an awesome person. I do not have a memory of Amy when she was not smiling and kind. I was like so many to be blessed to have had her as a part of my life. May your family be comforted not only by the thoughts of others, but, more importantly, by the grace Amy received and cherished. My family's thoughts and prayers will be with yours.

“ I would like for the family to know that I am very sad about the passing of Amy so soon. My memories of her are always being athletic, sweet, smart and kind. There are not many people left like that in this world today. She is a beautiful person, that I shall hope to meet again someday. May God help the family find peace, and let Amy's star shine bright!

“ *Danny, Loretta, Scotty and family:*

Our hearts are broken for you in the passing of your precious daughter and sister. Amy was such a beautiful, accomplished young woman whose presence will be missed every day. I pray that you feel God's comfort today and in the days ahead. You WILL see her again - and that will be for eternity - no more tears or separation in heaven. For now, Uncle Wyatt is holding her hand and they are watching over you from the best seat in the universe. Please know that you are in our thoughts and prayers. We love you. May God bless you and keep you and make His face to shine upon you and give you peace.
