“ Dear Jerry, Jeanine and family members, Please accept my condolences on the loss of your mother. Your mom and dad were very kind to us when Edie and I were first married. I remember very vividly our visit to them in New Jersey in 1958. Jerry you were just in the army and Jeanine I remember you feeding the ducks in a near by park. It may be of some help at this sad time to recall that your mom lived a long life and was thus able to share a long and happy marriage with your dad.##imported-begin##Richard M. “ Dear Jerry, Jeanine and family, I was so sorry to hear of Aunt Amy's passing. I will always remember her dynamic personality. I remember when she visited us in Chicago along with Uncle Al and Jeanine. She was so much fun and regaled us with stories of our mom when she was young. Aunt Dot talked of Amy all the time and told us much about both of the kids. I know from my own loss that there are not any words that will ease the pain of your loss, but I do know that time does make it easier to look back with smiles and laughter instead of tears. Please keep in touch. With Love and our Condolences, Mickey##imported-begin##Michele Martz##imported-end##
