“ I got to know Drea through her love of dogs. As a child growing up Drea was around the large black and tan sporting dogs called Gordon Setters . Her father showed and field trialed these beautiful dogs and was luckily enough to have owned one who went on to become especially famous, Eric. Years later, married to Jeff, Drea decided to see if she could find one of Eric's descendants for her own family and that is how she came across the Robhill-Blackhurst clan of Gordons. As fate would have it Eric featured strongly in our breeding programs and Drea was thrilled to find out that we had a three year old female who needed her forever home. Drea and Shadow hit it off immediately. Kind, warm and caring Shadow became a second Mom to the children and blended in easily with Dreas' "Taco Bell" dogs. They slept ontop of her and in return she promised not to eat them by mistake when playing. Sadly Shadow died while on a trip to Asheville last year, but I know she was waiting patiently at what "dog people" call the Rainbow Bridge for her beloved Drea to come and join her. Together they have crossed over to the other side. It was a priviledge to know Drea and her great family. The Gordon Setter world will miss her. Till we meet again on the other side of the bridge, Drea.... Love, Hilary Latimer Robhill Gordon Setters###imported-begin###Hilary Latimer###imported-end##

“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.###imported-begin###Margaret###imported-end##
