“ Andy and I go back so many years to working at the former Conway Hospital on Ninth Avenue when we were both youthful and energetic. Somewhere along the way, Andy always seemed to gather more energy to sustain himself than could any "Energizer Bunny!" There was just no comparison! He was always smiling and had a positive comment for everyone with whom he came into contact. I always knew that if I asked him to do something for me as a nurse, I could depend on it getting done in a thorough, timely and orderly fashion. The patients loved him and I loved Andy as a coworker and friend. I missed him tremendously when he left and began working elsewhere. BUT, I will never forget him for that broad smile, tremendous energy, positive attitude and the dependency I could place in him for the care of the patients for whom I was responsible! God walked with Andy on this earth and now, Andy walks with God in Heaven. Rest in peace, my friend and colleague.

“ *Andy was such a wonderful friend. He told us things about our grandson, after he had passed away, that we would have never known. He always had a story to tell and never had a bad word to say about anyone. The world has lost a bright light with his passing. Our thoughts and prayers are with his family at this time.* ”

“ Andy was a awesome cousin to me and my family. He was very generous with his time and resources. He shared his house with us while we were in Conway for my Aunt's, his cousin's, funeral. We listened attentively as he told us so many stories of his adventures with his animals. We will greatly miss his sense of humor and laughter. Yet, we will see him again!

“ Andy is our dear cousin & his passing is a sad event for us. We wish we could assuage our other cousins (Andy's immediate family) by a mere declaration of sympathy, but we know that isn't possible. We have every fervent hope that God will embrace Andy & welcome him into His Kingdom. Andy was such a wonderful man.
