“ Andy was my last partner on Cleveland Police Department before I moved to Phoenix. We became good friends and spent a lot of time together on and off duty. He was a great partner, smart and always had my back. He was my rookey as he had just come over from the Sheriff's Department. He will be missed by all that knew him.  
Rest in Peace Brother.

“ *We are deeply saddened to learn of Andy's passing. Our relationship with Andy began while he was on the ICCSA Board. Andy always had a smile and a welcoming hello whenever I would stop by his home. He was so supportive and understanding whenever we sought his advice and council. He was a quiet and soft voice of reason. He so loved touring on his bike. May Donna and family members know that we will cherish the memories we have . With deepest sorrow and sympathy . “ We met Andy & Donna when we first built our home here 20+ years ago. There was an instant connection. Whether we were in a group or just one on one, there was never a lack of conversation or a good laugh. Whether he was out back grilling, chilling with a good drink, or getting a haircut from his favorite barber, our view from across the pond will never be the same.
