“ I just found out about Angie. I was so sorry to hear about her death. I did not get a chance to meet her. I met her through Ancestry.com. I wished I would have, she was always pleasant and sweet in her emails. She was so very sweet to help fill in some of the Taylor history for me. She will be missed.##imported-begin##Diana Umlauf##imported-end##

“ I am deeply saddened to hear of Angie's passing. I came to know her through the Maddox genealogy group. She was such a wonderfully sweet lady; always willing to go out of her way to help someone. We shared common ancestors in Georgia, and she sent me several pictures & documents she gathered on her research trips. I was always excited to receive an email from "Cousin Angie". Please accept my sincere condolences. May God bless & comfort your family.##imported-begin##Chad Maddox##imported-end##
