“ My deepest condolences to Angie's family. I was stunned to hear she had passed away. I met her and Tony so many years ago when we were neighbors in Studio City, California. They were fun friends of ours, enjoying our little dogs and holiday parties. Have many happy memories of those days. Hugs to all, Shelah Harris

“ To Chris and Donna. You have my deepest sympathy in the transition of my sweet friend, Angie. I fell in love with Angie at first sight meeting her at Magnolia Bridge. Be comforted in knowing that she is resting in a better place.
