“ *Angeline has always been special to us and we are saddened by her passing. Brenda, we feel for you and your family. You have been an ideal daughter, and I'm sure your mother appreciated you and all you did for her. Beth just had knee surgery and is doing well but is not able to travel and I don't go that far alone anymore. Just remember that we love you and pray for God to comfort and bless you as you move on without her.
