“ With each passing day and all the wonderful memories of the good times you each shared will start to ease one's pain. Memories are a wonderful comfort and the best part of your loved one. Her spirit suffers no more and she will be able to take her rightful place in heaven among family and friends. A little piece of Aunt Anita will always be a part of our lives and she will live in our hearts until the day we see her once again.###imported-begin##DonnaGodfrey Williamson###imported-end##

“ Dear Ken and family, We share your grief and are honored to know Anita and to have been touched by her kind ways (along with many other people!). She's released from a body that slowed her down from doing the many more kind things she wanted to do. Who knows what she's capable of now! God has a peculiar way of transforming sad darkness into deep fulfillment. We love you! Murray and Melody##imported-begin##Murray and Melody Haskew##imported-end##
