“ I worked with Anita for a year at Palmetto Health Baptist. She trained me and took me under her wing. She always made me laugh when she saw that I was struggling. I was 22 then and when I would act silly, she would joke about taking me over her knee and spanking me if I didn't straighten up. She was like a grandmother to me and I wish that we had kept in touch after her retirement. Anita made my job so much more enjoyable and I will be forever grateful to have known her.##imported-begin##Katie Wicker##imported-end##

“ To the all family, Anita was my very best friend from grammar school til graduation. We have kept in touch thru the years. We saw each other last at our 50th class reunion in May,just a few days after she was diagnosed again.She also sent me some very precious items OES related which I will cherish as long as I live. She was a true warrior fighter! I am at peace knowing she is now in her Heavenly home welcomed into thearms of our Lord. With no pain or cares she can cross stitch and love people thru eternity. My sympathy is extended to all the family who loved her.##imported-begin##Rachael Manley Blackburn##imported-end##

“ I graduated with Anita from Abbeville High School in 1958. I will always remember Anita for her diligently checking on me during my recent hospital stay. I called Anita back a couple of times but had to leave a message and she would call me back and leave me a message but we just couldn't seem to connect. Through all of her pain and suffering she always found the time to check on others and I will never forget her. Anita has now found her peace and is with our Savior. my wife and I have her family in our prayers. God Bless!##imported-begin##Tommy Fellows##imported-end##
