“ Dear Bonnie, I was so sorry to read about the passing of your mother. As you know I thoroughly enjoyed her visits to our office. She was a delightful lady and you took such good care of her. I miss seeing both of you. My thoughts and prayers are with you at this difficult time. These adjustments in our lives are never easy. If there is any way I can be of assistance to you, please feel free to call the office. Sincerely, Janis(Dr. Gray's nurse)##imported-begin##Janis Swartz##imported-end##
