“ *Thinking of you, Chip, and the Hyman family during this time. I have lots of fond memories of your mom from our Hwy 905 days, especially our July 22 birthdays. She always had a smile and laugh that lit up a room. Praying that God will wrap His arms around you and give you peace and comfort through your family, friends, and precious memories from the past,*

*Love to all,

Helen, it was most delightful and a major blessing to hear from you. Momma had a mass in her abdomen and shrank down to less than 60 lbs, so her passing was not a bad thing. Thank you for thinking of me at this time. God has been very good to us.

*Love and warmest regards,
Chip*

I hope all the precious memories and photos you have of her will give you a sense of peace and sustain you now and in the days to come, as you lay her to rest. She was a lovely person and I know you will miss her deeply.
