

Ann Watts

July 28, 1938 - April 4, 2024

Ann Stanley Watts passed away peacefully on April 4, 2024 after a brief illness.

She was born on July 28, 1938. She was the daughter of Butler and Sally Stanley of Loris, S.C. She was predeceased by her parents and her husband, Ned Watts of Tabor City, N.C. She is survived by her son, Kenneth Watts, his loving girlfriend, April Easter, and granddaughter, Emily Grace Watts, all of Murrells Inlet S.C. and a daughter, Amy Watts of Loris, S.C.

Ann graduated from Loris High School in 1956. She loved her class and was very involved in organizing her class reunions. Because she was so loved, she was often invited and attended many other class reunions and get togethers. She was a member of the United Methodist Church in Loris. Ann also loved to shag. She loved beach music and could be found with her friends at the beach dancing in O.D. or in her living room showing the youngsters how to do it right. She was a great cook and fed many friends in her home.

Ann was a longtime employee of Loris High School. She could be seen in the front office and was the welcoming face to all who entered. She was a mentor, confidant, and mama to all the students that passed through the doors of the school. She was "Mrs. LHS" and was loved by students and faculty alike. She

was affectionately nicknamed "Mess" by those who knew her best.

Ann was a devoted wife, mother, daughter and friend, and she will be missed by all the people she touched during her lifetime.

“ *My AnnieBoo. Although I only knew her for 3 months, Ann and I became extremely close. It was an honor and a privilege to be her caregiver. I will never forget Ann, the laughs and the tears we shared. Thank you Ken and April for giving me the opportunity to care for your mother. She shall remain in my heart forever.*

*Just found out Ann had passed in April 2024. I lived in Loris and was one of Ann's classmate.
My father was the pastor of Loris Methodist Church, Rev B.C. Gleaton. He moved to Loris around 1938 and move away in 1951. The first SC Methodist minister that stayed that long. My sister Marilyn started and finished school in Loris school system, which was very rare.
I regret not knowing that Ann was sick. My prayers are with her family members. Holidays are rough losing your loved ones. May our good Lord bless you 🙏. Prayers going your way.*

“ I was saddened to hear of Ann's passing. I enjoyed my year that i worked at Loris High School and got to know Ann. Of course she included me in the shagging at Ocean Drive and what fun times we all had. The only problem was we didnt know how to tell time. We would all have a LONG innocent late nights "just having fun with friends." She will be missed by so many. I am so sorry for her family and friends, Thoughts, prayers and love to All.

“ *Thoughts and Prayers are with the Family of Ann Watts. Lord only knows where I'd be today if not for Mrs Ann. Many times she cut me off at the pass before going into Mr Nalley or Mr Bonnettes office in High School. She'd make me sit in with her until it was time to go to the next class. Stopped in the nursing home a few weeks ago to see her. She asked me if I had been good? I told her No and she just smiled at me! She was a Blessing. She will be missed by many!*
