“ Anna was such a vibrant individual who touched so many lives. We got to watch her grow from a child to a woman and we are so thankful she was in our lives. As a child ordering lobster for a dinner out and then not liking it; windsurfing with us at Nimisilla Lake; her radiance and beauty at her mom's 50th birthday party----these are a few of our memories that will stay with us forever. Our deepest sympathy to you all.##imported-begin##Charlene Clamp/Robin Donald##imported-end##

“ I was at the beautiful service today for Anna. Del the way you held your strength for those children was admirable. You made Anna proud. Her strength is still with you and will be for those beautiful children for here on out. I know there are no words to comfort you, I'm sorry doesn't do justice. Our thoughts and prayers go to all of you in this awful time.##imported-begin##Cami Blaylock##imported-end##
