“ Dear Hitman family,

I am so sorry for your loss. Your Mom was a wonderful lady, I have fond memories from younger days spending time with your family. Your parents were the best, so much love and laughter, always making us feel at home when we visited. Your Mom was the one who got me hooked on mint ice tea, I still enjoy to this day. Every time I think of your parents it puts a smile on my face, I loved them both. Your Mom was beautiful inside and out and she will be missed. I will cherish the memories. Thoughts and prayers are with you all.

“ Cindy and family, first of all i am so very sorry for your loss. Your Mom was a beautiful person. My Mom and I loved seeing her at the hair salon. It is comforting to know that my Mom and your Mom are holding hands and going to hair salon in heaven. My Mom loved talking to your Mom at Laureen's on Friday mornings. She was a sweet lady.
