“ Dear Kathy,

I am deeply saddened to hear about the passing of your mom. There is nothing that can be said to ease the pain and sorrow of losing a loved one especially your Mom. I understand what you are going through after loosing my mom recently. Please know that my heart and prayers go out to you during this incredibly difficult time. Although I did not have the pleasure of knowing her personally I'm sure your Mom was a wonderful person if she was anything like you. You will forever have the memories to cherish and remember her life with you and the family.

If there's anything at all that you need or if you just need someone to talk to, I'm here for you. Please take care of yourself and know that you're in my thoughts and prayers.

*With deepest sympathy,
Bob Wallner*
