“ Dear Anna: We were so sorry to hear about the loss of your mother, as is most mothers, they are the glue that keeps the family together. You will fit in the position very well Anna, because you are a generous, loving and kind person. We all miss you at GTE/Verizon, but know that you have your plate full being a mother and "grandma". Our prayers go out to your family.##imported-begin##Josie & Family##imported-end##

“ Nanny you will truly be missed. You have and will always be an important part of my life. I will always love you and cherish all of the good times we had together, from fishing with David to chasing chickens in the front yard by 544. You even had a way to make the rough times go a little smoother. The boys will really miss their Nanny girl. They really loved coming over to see you. I know you are in a better place now. We all love you and will deeply miss you.##imported-begin##Charlie Grainger##imported-end##
