“ Miss Anne , I will miss you so much.
To Miss Anne's family you need to know how much she was loved at the corner store, where she stopped in a couple times a day. She helped me thru life's challenges with the best advice. I couldn't wait to share with her and be with her if only for a few minutes a day. She was like a big sister to me and I will never forget her... We have a good God and now he has our good friend beside him.

With a heavy heart, Barbara Sutton
