“ Paul and family, I was so sad to hear of Anne's passing. She is such a fun memory of my youth. I remember Anne, Lillian, Connie and my mom preparing for the AT hikes the "T-Gals" would take. The parties at Hawley's house and always the laughter and gentleness. As a child was totally comfortable knowing that you would be my surrogate parents should something happen to my parents. That is because to me the Hawley family was filled with gentleness, love and laughter. Anne was so generous, I always felt welcomed there. She lived a long love-filled life, but it is always too soon to say good-bye. With great sympathy, Kim Greene###imported-begin##Kimberly Greene###imported-end##
