“ Grandma were do I begin, from sock fights, to late night snacks, to letting me jump from the top of the stairs to my trampoline over the couch, to buying me my first 49ers Jersey as a kid, to saying yes to things when mom & dad said no...you were a person that touched so many, you were the light in every room, I'm going to miss your long hugs, and gentle voice. I love you grandma, see you again someday.
