“ We have only known Annette for three years...we were in the same Sunday School Class. The first time we met her we knew instantly that she was a very special person.
she always made us feel so welcome and she and I talked on the last day she was able to go to SS...we were the only two in the room at that time because we got there early. She told me she was not feeling well but she still had that sweet smile...There is no doubt she is now with her Lord and her husband and siblings that have gone before her. She will be sorely missed and she will always hold a spot in our hearts... Annette I believe you are now dancing with the angels.and singing with them...
We will meet you again one day and until then we will surely miss you....Charlie and Alisha Smart
