“ Our sincere condolences to The Pearline Beverly Family. Pearline was such a nice, sweet, humble lady. She was married to my first cousin. I always enjoyed Spending time with Pearline at the Beverly Reunions. Even though it's been years now since I seen her, due to the Pandemic, she was always such a wonderful friendly lady to be around. Our prayers and Blessings to the family during this special time.

“ Dear Marvadean,

We were sorry to read about your mom passing, "such a sweet lady". I can still remember her calling at old Waccamaw Brick at about 10:00 to speak with you. Of course, that meant a short chat between she and I. We could only imagine that she and Howard would not be apart for very long. Please know that our thoughts and prayers are with you and all of your family at this very difficult time. We know you will miss her greatly.

*With much love,
